

Sponsor-a-Species

Tenaflly Nature Center is home to a small collection of animals, native to New Jersey, from raptors to reptiles. These animals cannot be released into the wild for a variety of reasons, so they are used to help educate people of all ages about the needs of our local wildlife and the importance of protecting their habitats. Our educational programs for schools, scouts, and people of all ages are presented to over 23,000 children and adults each year.

You can help care for these animals by aiding in the cost of their upkeep. Your contribution assists the center in providing food, improving enclosures, obtaining necessary medical care, and supporting staff time for their care.

In addition to the satisfaction of supporting an animal's life, you will receive:

- Two free passes to one of TNC's seasonal family programs (series & camps not included)
- Recognition in our quarterly *Tenaflly Nature Center NEWS*
- A Certificate of Sponsorship
- A photograph of your sponsored animal
- Your sponsored animal's personal story
- A brief overview of the animal's Natural History.

Birthday Party Special:

In addition to the basic sponsorship package you will receive a visit from your sponsored animal at your child's next Nature Center birthday party. See tenafllynaturecenter.org/birthdays for more birthday party information.
