

Tenaflly Nature Center is an independent non-profit member-supported 400 acre nature preserve, located in Tenaflly, NJ, five miles north of the George Washington Bridge. With over seven miles of trails and a 3-acre pond, TNC is the largest privately-run nature center in Bergen County.

Education Internships are for undergraduate students with an interest in environmental or outdoor education and/or classroom science education and have completed at least two years of college. Interns will assist the Tenaflly Nature Center Staff with all aspects of running the Education department. A Tenaflly Nature Center education intern works hard and develops the skills needed to continue in any career in the education/interpretive field.

Summary: Reports to, and work closely with, a TNC staff manager with all aspects of the education department. They are responsible for helping to develop a dynamic, high quality environmental education curriculum for our increasing demand of on and off-site, year round programs, for a variety of groups and age levels. Public activities and exhibits are provided to children, families, and adults, including drop-in hikers and visitors. Curriculum is hands-on and geared toward helping children and adults to develop awareness, appreciation and stewardship for the natural world.

Duties & Responsibilities:

- Assist in teaching educational programs for children 3.5 year old through senior citizens.
- Learn about our environmental education curriculum and assist in implementing the purpose, goals and objectives of each program.
- Assist the education team with program logistics and preparation, including program promotion, registration, pre-visit communication, development of props and materials, classroom maintenance, and curriculum development.
- Gain experience co-teaching in an informal classroom setting.
- Greet and engage visitors; articulate TNC's mission and project a helpful and positive attitude when interacting with the public, including TNC members, parents, teachers, and group leaders in person & on the phone.
- Perform other duties as assigned.

Qualifications (EESI):

- Currently enrolled in a college/university and have completed at least two years of course work in a major field of study to be applied during the internship (e.g. early childhood education, elementary education, secondary education, environmental studies, biology, zoology, or related fields).
- Knowledge of and passion for the natural world with an interest in environmental or outdoor education and/or classroom science education.
- Mastery of Microsoft Office and common office equipment. E-mail and internet access required.
- Enthusiastic, outgoing, patient, and flexible when working with children and adults.
- Ability to work both independently and on a team with minimal supervision.
- Ability to communicate effectively and interact well on the phone and in writing.
- Ability to manage multiple tasks simultaneously.
- Ability to walk all the trails of TNC and climb one flight of stairs. Ability to lift and move up to 50 lbs.
- Willingness to work outdoors in variable weather conditions and variable terrain.
- Must be fully vaccinated for Covid-19 by start date (Reasonable accommodations will be considered on a case-by-case basis for exemptions to this requirement in accordance with applicable law)

The attitudes and personal characteristics demonstrated in all educator positions are:

1. Enthusiasm, patience, understanding, flexibility, and energy for working with children and adults.
2. Projecting a positive and professional image.
3. Self-motivated, detailed-oriented with the ability to work both independently and as part of a team.
4. Ability to multi-task and make decisions requiring good judgment in the absence of specific directions.

Tenafly Nature Center is committed to building a team that is reflective of the incredible diversity of our communities and of the students we serve. Because we are committed to increasing the diversity of our workplace, people of color, women and individuals from diverse backgrounds are encouraged to apply. TNC is an Equal Opportunity Employer.
