ALL ABOUT TNC

WHY SUPPORT TNC

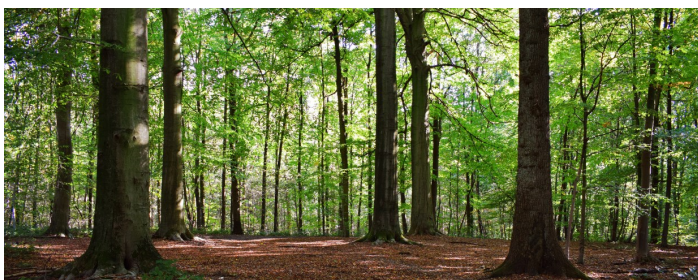

Tenaflly Nature Center is a non-profit, independent, member-supported nature preserve located in Bergen County, New Jersey.

For over 60 years, TNC has nurtured a crucial appreciation for nature and has been a leader in open-space preservation and environmental education for our community and beyond.

ABOUT

Seven miles of trails, forest, pond, streams and wetlands serve as a sanctuary and oasis, enabling TNC visitors to connect with nature in the country's most densely populated state.

The strategic location provides a welcome stopover for over 100 bird species during their seasonal migrations. Whether one has an hour or a day, TNC offers a peaceful respite from the rush of daily life.

MISSION

The stewardship of nearly 400 wooded acres for the purposes of conservation, education, recreation and community engagement.

VISION

A community that feels a strong connection to the natural world and actively partners with us to promote the highest level of biodiversity possible for our natural areas.

ALL VISITORS WELCOME

Tenaflly Nature Center creates spaces for all people to enjoy, experience, and learn about our environment. We endeavor to make our outdoor spaces safe and welcoming to all visitors and we aspire to create experiences that are accessible to all. We welcome people of all races, religions, sexual orientations, gender and gender identities, nationalities and creeds. Our programs and offerings reflect our surrounding diverse community. At the Tenaflly Nature Center we strive to hold ourselves – the staff, volunteers, program participants, and members – to these principles so that our organization is a safe and inviting space for all to experience nature.

RAIN DATE SUNDAY, JULY 13, 2025

LEARN MORE AT: [TENAFLYNC.ORG/FAERIES](https://tenaflync.org/faeries)

Take a stroll along Tenaflly Nature Center's magical path through the forest. At this evening event, attendees will follow along a 1/3 mile path, admire faerie houses* from local artists, meet enchanting fae folk, try sparkly and sweet treats, and celebrate an evening of awe and wonder.

Criteria

Tenaflly Nature Center invites artists of all ages to create lighted faerie houses or faerie-themed artwork to adorn the faerie trail on Saturday July 12 from 4:00 pm - 9:00 pm.

There are no size limitations, however, if your piece exceeds 12" x 12" x 12" in size or will need to be hung instead of placed on the ground, please request approval through the application form.

To protect the health of our preserve, all artwork and associated pieces **must not contain any glitter in any form, balloons, fragile/easily breakable glass, non-native seeds, living animals, or open flames.**

***Select Faerie Houses will be available for sale**

Registration & Cancellations

Artists may register as a faerie house artist online at <https://tncnj.org/event-6092786>.

A non-refundable fee of \$10 is required for each artist submission. Artists aged 18 and under can participate at no cost. If your concept requires approval, a decision will be made within one week of application submission.

If you register and but are unable to attend the exhibit, please notify us as soon as possible at development@TenafllyNC.org.

Location

The Faerie Trail walk will take place at the Tenaflly Nature Center along the Red Trail, a 1/3-mile trail, through a portion of our preserve. It will follow a dirt trail that is not wheelchair accessible.

Artists will be responsible for setting up their own houses or artwork between 4:00 pm - 5:00 pm and removing them at 9:00 pm on Saturday, July 12.

After the walk, the pieces will be displayed at the Tenaflly Public Library (100 Riveredge Rd, Tenaflly). Participants must remove their pieces at 9 pm on July 12 then transport their works to the library during normal business hours on Monday, July 14 or Tuesday, July 15.

The pieces will be on display through August 22. Any unsold pieces will need to be picked up the week of August 25 - 29 during normal business hours.

While on display at the Tenaflly Public Library QR codes will be used to help sell pieces which are for sale.

Weather Related Issues

Mist, fog, or light rain will not lead to postponement of the event. However, if heavy rain and/or thunderstorms are forecast for the day, the event will be on the **rain date (Sunday, July 13)**. Updates will be posted on the TNC website, social media, and participants will also be notified via email.
